Tiny House® Cabins

Dear Tiny Houser,

Proud to be working with Tiny House UK

Your Tiny House is important to you – that's why it's important to us.

Love Your Hut Insurance

We have worked hard to ensure that affordable, yet extensive insurance protection is available for you and your Tiny House.

Our dedicated team has over 18 years experience of working in the beach hut insurance market. This has enabled us to develop a market leading policy from Legal and General and Ergo Insurance, leaders in specialist insurances.

Driven by our commitment to deliver a truly exceptional and personal service, we put the Hutter at the heart of everything we do.

We will work with you to provide an insurance solution which is suited to your needs.

And it's not just about insurance...

Here at love your hut, we really do love dealing with niche structures... Whether it's a Beach Hut or a Chalet on the Prom; a Shepherd's Hut in an orchard; or a Tiny House in a garden, we simply love them all! We have produced this Tiny House Newsletter with Mark, and we hope you find it useful... Our Policy is perfectly designed to cover you and your Tiny House, as well as any Contents you may wish to keep in there too.

What is covered under the Policy?

Our Policy is designed to offer all risks cover for your Tiny House & any Contents you may wish to cover. Our policy comes with a £nil policy excess, £5m Legal Liability as standard. We also offer a very personal service. If you ever need to amend your Policy, or ask a question, we'll be here to help you! Your Tiny House will never be "just another" Tiny House to us, it will form part of the bigger love your hut family, and will be very well looked after.
